

METALLAGRAM

LONG ISLAND CHAPTER

Volume 45 Issue 1

Editor: Carl Czajkowski

MEETING NOTICE: Saturday, September 27, 2003 TOPIC: Wine Tasting and Buffet Dinner

The first event of the 2003-2004 Chapter year will be held on Saturday, September 27, 2003, on the North Fork of Long Island. This year we will meet first at the **Jamesport Vineyards**, located on Rt. 25 (main Road) in Jamesport at **1:30 pm**. After the tour and sampling their wares, there will be a break to let you check up on other attractions in the area (fruit and vegetable stands, antique stores, etc.). We will reconvene at **4:30 pm** at **Bedell Cellars** for a private wine tasting in their new facility on Rte. 25 in Cutchogue. In addition to the tasting, we have arranged for a buffet dinner, after which we will raffle off a few bottles of the local products. Come out and join us, renew old acquaintances and meet new ones. We hope to enjoy our usual good fortune with the weather but, just in case, there are arrangements to move the dinner indoors if necessary.

\$20.00 per person (members and guests)

Buffet limited to 40 people.

Reservations requested (it makes planning easier) - call:

Carl Czajkowski (631/344-4420) or Biays Bowerman (631/344-2946).

DIRECTIONS (from the West)

To Jamesport Vineyards: take the Long Island Expressway to Exit 73 then continue east on Rt. 58 to join up with Rt. 25. Continue east on Rt. 25 into Jamesport. The winery is on the north side of the road, behind a large white house (for a map, you can visit their website, <http://www.jamesport-vineyards.com>). Their telephone number is 631-722-5256.

To reach **Bedell Cellars**, continue east on Rt. 25 through Mattituck and Cutchogue. The winery is on the north side of the road, about 1.5 miles from downtown Cutchogue. A map can be found at their website - <http://www.bedellcellars.com>. The phone number is 613-734-7537.

SULZER

Sulzer Metco

A World of Surface Engineering Solutions and Services

We provide:

- ◆ A broad range of thermal spray, thin film and other advanced surface technology equipment, integrated systems and materials
- ◆ Specialized coating and surface enhancement services
- ◆ Manufactured components for the turbine, automotive and other industries
- ◆ Global customer support services

 (516) 334-1300 /  (516) 338-2414 /  www.sulzermetco.com

WELCOME TO THE CHAPTER!

It's been several months since the last issue of the Metallagram and in the meantime twenty new names have been added to our roster. Thus, belatedly in some cases, we're pleased to welcome into the Chapter:

Sefrak Agonian, ICM, Inc. Antoinette Bailey, Structural Testing Joseph Deacutis, Aeroflex Labs.

A. Ghandi, Activsed Anthony Giuliani, KeySpan Matthew Hayduk, Adept Inc.

Adamson Ifesanya, Research Foundation Anand Kulkarni, SBU Eric Low, NYCTA

John Madsen, Northrop Grumman Patricia Martinez, Holbrook Raymond Meilunas, NAVAIR

Jesse Newman, Staten Island Paul Novak, Volckening Adelio Simoes, Iberel Inc.

Vasudevan Srinivasan, SBU Tilo Streibl, SBU Marvin Vasquez, SBU

Gur Yang, Sulzer Metco Hui Zhang, SBU

All new members are invited to dine free at a regular meeting of their choice so please take us up on this offer, meet with other Chapter members, and start networking.

JOHN R. WEEKS MEMORIAL SCHOLARSHIP AWARDS

The Chapter awarded two scholarships this past summer, each worth \$500/year for up to four years for graduating high school students entering programs that would lead to a degree in a materials-related field. The winners were:

Aron Cepler (Baldwin Senior High School) - entering the University of Maryland at College Park
Theodore Feldman (Comsewogue High School) - entering Stony Brook University.

The Electronic Metallagram

The Metallagram is now available in PDF format and members can arrange to have the latest issue emailed directly to them - contact Biays Bowerman (phone (631) 344-2946; email bowerman@bnl.gov). It and some back copies can also be viewed at the Chapter's web site <http://www.matscieng.sunysb.edu/asm>.
