Take the LIE to the Sagtikos/SunkenMeadow Parkway (Exit 53) and proceed north. At the first interchange, go onto the Northern State Parkway (NSP) East, towards Hauppauge. The NSP ends in two miles and you enter Rte 347/454. Travel past the government buildings for two miles. At the split in the highways, bear left onto Rte 347 (Nesconset Hwy). Our Speaker and His Topic

Our speaker, James Waldvogel, is President of Waldvogel Metallurgical Inc. (WMI) and a specialist in materials engineering and metallurgical failure analysis. He graduated from Rensselaer Polytechnic Institute (RPI) in 1978 with a Bachelor of Science degree in Materials Engineering, after which he took up a position as staff metallurgist at Howmet Turbine Components Corp. In 1980 he moved to Lockheed Martin Technical Systems as a materials engineer involved with weapon and radar systems. In 1997 he founded WMI where he is involved in a wide variety of programs, including precision metallographic analysis and electronic device failure analysis. His talk will focus on various failure analysis investigations, and their effect on the failure analyst or expert witness.

WELCOME TO THE CHAPTER!

Shlomo Mordechai, Parker Hannifin Satyajeet Sharma, Sulzer Metco

All new members, including those who have transferred in from another Chapter, are invited to dine free at a regular meeting of their choice.
