This is an excellent way to meet with other Chapter members and to establish new business and social relationships in the area.

Our Speaker

Bob Lofaro has worked at Brookhaven National Laboratory for over 25 years as a Research Engineer and is currently Group Leader for the Renewable Energy group. He holds two Master's degrees in engineering and has over 25 years of experience in the energy field. Mr. Lofaro is now leading BNL's efforts to develop research programs on solar energy systems.

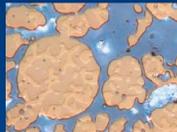

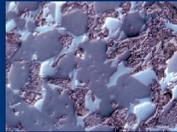

The Topic

In his talk, Mr. Lofaro will discuss the large 32MW Long Island Solar Farm constructed on the BNL campus and the Lab's plans for solar energy research using data from the LISF. He will also discuss BNL's plans to develop the Northeast Solar Energy Research Center at BNL, which will include a 1MW solar photovoltaic research array on the campus for field testing new solar technologies.

DIRECTIONS TO MAURICIO'S ORLANDO'S II

Coming from the west, take the LIE to the Sagtikos/SunkenMeadow Parkway (Exit 53) and proceed north. At the first interchange, go onto the Northern State Parkway (NSP) **East**, towards Hauppauge. The NSP ends in two miles and you enter Rte 347/454. Travel for two miles, passing the government buildings, until you reach the split in the highways. Bear left onto Rte 347 (Nesconset Hwy). After three miles, there are three intersections: Terry Rd., Southern Blvd., and Lake Ave. Take a left at the third intersection to go north on Lake Ave. At the junction with Rte. 25 (Jericho Tpk./Middle Country Rd.), go left. The restaurant comes up immediately on the right, next to (just before) the Volvo dealership. The street address of the restaurant is 645 Middle Country Road (Rt. 25); their phone number is (631) 265-9228.

Coming from the east, take the LIE to Exit 62 and go north on Rte. 97 (Nicolls Rd.). After about two and a half miles, take the Rte. 25 exit ramp. Keep to the left and go **West** on Rte. 25 (Middle Country Rd.). Stay on Rte. 25 for about four and a half miles, at which point the restaurant should appear on your right, just before the Volvo dealership. On the way, you'll "enjoy" many stop lights, pass numerous strip malls and the Smith Haven Mall, and cross Rte. 347. Really boring unless you're a shopaholic!
