**Topic: MesoPlasma™ Printing Technology: High Definition Coatings
and Functional Surfaces**

Speaker: Jeff Brogan, CVD Materials Corporation

Social hour ... 6:00 pm Dinner ... 7:00 pm Meeting ... 8:00 pm

Members ... \$25 Guests ... \$27 Students ... \$15

(New and recently transferred-in members free)

Reservations appreciated – call Peter Indrigo at 631-589-6666

Directions to Pollo Rico Latin Bistro

Pollo Rico is located at 2435 Middle Country Road (Rte. 25), Centereach. Probably the simplest way to get there from the LIE is to take Exit 62 (Nicolls Road) and go north on CR 97 (towards Stony Brook). Continue north for about 3 miles then take the exit to Rte. 25. At the traffic signals at the end of the ramp go left and head west (Smithtown). The restaurant will appear after about 1.5 miles, on the right side of the highway. Their telephone number is 631-471-0585. Their website is: <http://www.polloricolatinbistro.com/>

The Topic

MesoPlasma™ printing is an additive manufacturing technology to deposit materials in precise patterns onto conformal parts. The technology provides innovative product designs and solutions enabling integrated sensing, heating, and communication.

MesoScribe Technologies specializes in manufacturing products used in harsh environments for applications in aerospace, satellites, power generation, and within the U.S. Department of Defense. Antennas, heaters, and sensors can be printed directly onto customer parts, embedded within coatings, or printed onto polymer films for integration within composite materials. This presentation will summarize the Company's MesoPlasma™ printing capabilities and commercial products.

Our Speaker

Dr. Jeff Brogan is the Director of Sales and Marketing at CVD Materials Corporation, a subsidiary of CVD Equipment (NASDAQ: CVV) that announced the acquisition of MesoScribe Technologies on November 2, 2017. Jeff was previously the President and CEO of MesoScribe Technologies. Jeff received his PhD degree in Materials Science and Engineering from Stony Brook University.
